COMPREHENSIVE CUSTOMS REPRESENTATION

Comprehensive Customs Representation is a comprehensive representation service for all customs clearance as its name implies.

Our Comprehensive Customs Representation service includes unlimited consultation for any customs procedures, getting permissions and certificates from the relevant state authorities for goods and vehicles, preparation of all kinds of customs clearances and execution of other operations on customs clearance on behalf of customer.

Mobil Broker successfully represents you during import, export, re-export, temporary export procedures, registers officially goods and vehicles on your behalf, hand over them as soon as possible. It executes all customs operations with only one power of attorney.

PREPARATION OF CUSTOMS CLEARANCES

Customs clearance is acts implemented on placing goods and vehicles under the relevant customs procedure and on completion of this procedure. Mobil Broker prepares and hands over all kinds of customs declarations on your behalf. The Customs declarations are prepared during the following customs procedures:

EXPORT OPERATION:

IMPORT OPERATION:

PREPARATION OF SHORTER IMPORT DECLARATION

In accordance with article 113.1 of Customs Code of the Republic of Azerbaijan, excluding the customs clearance of the goods not intended for commercial purposes by natural entities, it shall be submitted shorter import declaration electronically to the customs bodies prior to bringing the goods to the customs territory of the Republic of Azerbaijan since February 01, 2019. Failure of submitting shorter import declaration causes to administrative liability for declarant. The officials not submitting the shorter import declarations will be fined in the amount of 1000 AZN, the legal entities in the amount of 1500 AZN.

Mobil Broker prepares all kinds of declarations, including Shorter import Declaration in time to make you free from additional costs and fines and submits them to the customs bodies on your behalf.

GETTING CERTIFICATES AND SPECIAL PERMISSIONS

It is important to get permissions and certificates for importing to and exporting from the country the products of special category. Otherwise, the customs clearance of goods is impossible. Mobil Broker gets all kinds of special permissions and certificates on your behalf to save your costs and time and presents them to you.
